

Candlelight Ceremony for Solidarity with Israel

Hazzan Walvick led the ENJC community in song and prayer on Thursday evening, October 12, to pray for peace and stand in solidarity with Israelis. Congregant families, politicians and guests were in attendance, holding candles and feeling a sense of community after the devastation and heartbreak of the war that has broken out in Israel. Donated items to be sent to Israel were collected for Commack High School’s ongoing Israel Donation Drive as well as financial contributions for Magen David Adam.
