

Send a Passover Package - Now in our 18th year!

This Passover, as you, your family and friends gather around the Seder table, we ask you to remember two special groups of people –

- Our Jewish Military personnel serve at United States military installations across the globe, often in places isolated from centers of Jewish population. Today with more military serving throughout the world, we reach out to you to become a sponsor so that every Jewish serviceman and servicewoman in our armed forces will receive a special Passover Package.
- In these times of a declining economy, with an increasing number of people, including Jews, out of work, more of our people depend on community food pantries to feed themselves and their families. Often before the end of the month, the shelves of many of these food pantries are bare. We reach out to you to help kosher food pantries in the New York area to stock their shelves so that every Jewish family can celebrate Passover appropriately.
