Dear Mrs. Shaffer:

I am in receipt of your reply of March 4th and wish to advise that you may bank our check in the amount of \$500. Please consider the additional \$50.00 as a donation from the East Northport Jewish Center.

In a previous letter sent to you on January 7th, I had advised that one of our Congregants has an office in London and that he can arrange shipment of the Scrolls. The Congregant's name is Mr. Harold Pepper and his firm in London is Lep Transport. A copy of your letter along with a copy of this correspondence will be given to Mr. Pepper. He will inform his office in London and they will call you to make arrangements. I trust this is satisfactory with you.

It would be greatly appreciated if you could send along any data and history pertaining to the Scrolls, such as where they were rescued, name of synagogue, town or village where located, age of synagogue, etc., etc. If this information is available, our Congregation would be most appreciative.

Thanking you for your efforts, I remain,

Sincerely yours,

Stanley Goldick
President
