

ENJC Megillah Campaign

In honor of the ordination of Hazzan Walvick

We celebrate Purim during the Hebrew month of Adar, reading from the Megillah on the eve of Purim and again the next morning. In past years, we have read from the personal scroll of Rabbi Silverman, but with his departure, we have a special opportunity to create a new and original Megillah Esther for the ENJC, to be dedicated in honor of the ordination of Hazzan Walvick as our Rabbi.

Soferet Julie Seltzer, one of about 10 women in the world who writes Torah and other religious documents, will be creating our scroll, and on **Sunday, March 17th**, you will have the opportunity to participate in a program to learn about the making of our Megillah, and as a Megillah donor, you will be able to fill in a letter of our new scroll.
